- *Who funds the Oversight Board?*

Ask any question about the document.

What are the termination conditions in the contract?

The document does **not explicitly use the term "termination conditions in the contract."** However, it specifies several **conditions under which a board member's service can end**, including resignation, removal, or violations of agreements.

1. Resignation by a Member

A board member may voluntarily leave the position.

- A member must **notify the co-chairs or director in writing with at least 60 days' notice**.
- The resignation takes effect at the time stated in the notice or when accepted by the co-chairs if no time is specified.

---

2. Removal for Violation of Code of Conduct

A member can be removed before the end of their term.

- **Trustees may remove a member if they determine that the member violated the code of conduct.**

- Members **cannot be removed because of the content decisions they made**.

3. Violation of Agreements or Code of Conduct

Failure to comply with required agreements may also result in termination.

- If a member or staff **violates or fails to comply with agreements (e.g., confidentiality, data protection, or service agreements)**, it may:
  - **Result in termination of their service**, or
  - Prohibit them from providing services to Facebook.

✅ **Summary of termination conditions mentioned in the document**

- Voluntary resignation with **60 days written notice**.
- **Removal by trustees** for **code of conduct violations**.
- **Termination due to violation of agreements or obligations** related to service.

If you want, I can also extract **all clauses related to removal, resignation, and disciplinary actions** from the document and summarize them in a **clean legal-style table** (very useful for legal analysis or RAG testing).
